

**Give your 8mm
cine projector
new life**

with this atlas tungsten halogen lamp

The new Atlas A1/263 8V 50W tungsten halogen projector lamp is a direct replacement for the A1/17 lamp at present being used in over 300 different makes of Super 8 and Standard 8 cine projector. It's well worth the extra cost for these advantages:—

1. Direct replacement for A1/17.
No modification required—no adjustment necessary.
2. Twice the life. 50 hours average life compared with 25 for the A1/17.
3. Brighter, Whiter Light throughout its life.
Does not blacken—gives cleaner fresher colours.
4. Very even screen illumination. 65% average distribution compared with approximately 50% for the A1/17.
5. British designed and manufactured.

Fit an A1/263 and see your movies in a new light
